

## PET Hot Washed Flakes Technical Specifications

TDS No: - 15/2025

|                      |                                           |
|----------------------|-------------------------------------------|
| <b>Product Name</b>  | Recycled Polyethylene Terephthalate (PET) |
| <b>Material</b>      | Hot washed flakes                         |
| <b>Origin Source</b> | <b>EGYPT</b>                              |
| <b>TDS</b>           | 015HWFALCB121000                          |

| S.NO. | PROPERTY      | SPECIFICATIONS     |
|-------|---------------|--------------------|
| 1     | Color         | Clear & Light blue |
| 2     | IV (dL/g)     | 0.70 ± 0.05        |
| 3     | PVC           | ≤50 ppm            |
| 4     | PO            | ≤50 ppm            |
| 5     | Color         | ≤100 ppm           |
| 6     | Metal         | ≤10 ppm            |
| 7     | Δ PH          | ≤1                 |
| 8     | Particle Size | 4 mm-12 mm         |
| 9     | Moisture      | ≤1%                |

### Remarks

1. Container weight is 20 Tons.
